RATHNAVEL SUBRAMANIAM COLLEGE OF ARTS & SCIENCE

Rathnavel Subramaniam College of Arts & Science was started in the year 1986 for the sole purpose of giving quality and affordable education to the leaders of tomorrow. Rathnavel Subramaniam College of Arts & Science (Autonomous), Sulur, Coimbatore is a co-educational Institution named after the late Master. Rathnavel Subramaniam, son of Vijayshree Dr.K.V. Kupusamy, Chairman, RVS Educational Trust, Sulur, Coimbatore.

CHAIRMAN

Dr. K.V.KUPUSAMY is the Founder of RVS EDUCATIONAL TRUST. He was awarded the Doctor of Philosophy in Education by Dianora University (Italy) in 1993. He was also awarded Sovereign Excellency Knight, VIDYA JYOTHI for his achievement in the field of Educational Service in 1994, GLORY OF INDIA by International Friendship Society of India, UDYOG EXCELLENCE, VIJAY SHREE and BHARAT JYOTHI for his achievements in the field of Technology, Public life, Social Service, Education, Business & Industry in 1994.

Mr. K.SENTHIL GANESH is the Managing Trustee of RVS EDUCATIONAL TRUST. He obtained his MBA degree from Texas A.M. University, USA in 1997. He also obtained M.Sc. (Software Engineering) at University of Westminster, London, U.K. in 2004. He manages the day-to-day affairs of the Trust. He is a dynamic visionary, and a constant source of inspiration. He steers the Institution in its march towards excellence. The new state-of-art computer lab shows his immense interest in making this Institution a favoured destination for quality and affordable education.

MANAGING TRUSTEE

M A English Literature

ELIGIBILITY - any graduate who must have done two papers in English under the non semester system or 4 papers in English under the semester system.

For Chinese Students: A four year UG programme in China with English as major or a three year diploma in CHINA PLUS A One Year UG programme in any of the recognized Universities.

- Audio visual show on related subjects
- Classrooms teaching with case studies
- Seminars and paper presentations
- Research projects
- Organizing seminars at Inter - State and at National level
- Regular group discussions
- Business communications sessions
- Training in the following areas like Export, Import, Shipping Companies, Freight forwarding, Air cargo, Customs, Buying houses, Manufacturing units, Warehousing etc.,

Master of Business Administration (MBA)

ELIGIBILITY - a pass in Bachelor Degree, MAT / TANCET Scores

DURATION - 2 years

WE STRIVE TO BE A DISTINCTIVE RESEARCH DRIVEN INSTITUTION FOR BUILDING THE CAREERS OF GLOBAL LEADERS

ACADEMIC ACTIVITIES

- Industry based Curriculum
- Alumni Connect
- Specialisation in functional and sectoral areas
- Projects and Industrial Training
- Innovative Teaching Pedagogy

LEARNING BEYOND CLASSROOMS

- Guest lecturers by industry professionals
- Industrial visits
- Leadership development programmes
- Certification courses
- Outbound Training
- Skill enhancement
- Orientation programs for freshers
- Management Forums

PLACEMENT ACTIVITIES

- Placement Training
- Job Fairs
- Career Development Cell
- Tele-Recruitment
- In-Company Selection
- On-Campus Interviews

ACCOLADES

- Identified as Emerging B-School in South India (Careers 360 , April 2010)
- Ranked 2nd in Coimbatore, 6th in Tamilnadu, 13th in South India, 44th in India (THE WEEK- MaRS Survey, October 17th 2010)
- Ranked 2nd amongst Promising "B" Schools in India (CSR-GHRDC B School Survey, November 2011)
- Rated as A- Grade B-School (AIMA, September, 2010)

MASTER OF SOCIAL WORK (MSW)

MSW

ELIGIBILITY - a pass in Bachelor Degree

DURATION - 2 years

SPECIALIZATIONS OFFERED

- Personnel Management & Industrial relations
- Medical and Psychiatry
- Community Development

DEPARTMENT OBJECTIVES

- To prepare social workers with knowledge and advanced skills in administration
- To prepare ethical social work leaders who stimulate positive change
- To prepare competent social workers to practice internationally
- To prepare social workers with communication skills for practice with diverse colleagues and clients

JOB OPPORTUNITY IN SOCIAL WORK

- Medical and Psychiatric social worker in Hospitals, Counseling centers, Schools etc;
- Project coordinators & Project Officer in Govt. & Non govt. Organizations
- HR Executives in Industries & Corporate House
- Teaching and Research is another option for social workers
- Corporate social responsibility

FIELDS OF SOCIAL WORKERS TO PRACTICE

- Public & Private companies
- Hospitals
- Children & Youth services
- Community organization
- Criminal & Juvenile justice
- Crisis counseling & Disaster Assistance
- Domestic violence & Victim assistance
- Mental health & Developmental disabilities
- Schools & Colleges

CO- CURRICULUM ACTIVITIES

- Field work training
- Rural/Tribal camp
- Industrial visits
- Summer placement training
- Major & Mini Projects
- Pre- employment / block placement training
- Group programmes
- Village adoption programmes
- Community organization programmes

DEPARTMENT OF COMPUTER APPLICATIONS

MCA

ELIGIBILITY - a pass in any Degree with Mathematics at +2 level or any Degree with atleast one paper in Mathematics or Statistics at Degree level

DURATION - 3 years

ENTRANCE EXAM

It is mandatory for the students aspiring to join MCA to appear for TANCET (Tamil Nadu Common Entrance Test) or CET (Common Entrance Test) conducted by various Associations

SALIENT FEATURES

- Guest Lectures & Seminars by Industry Experts and Academicians
- Department Newsletter "REVERBERATIONS" once in a semester
- Extra Departmental Courses
- Certification Courses like CCNA, Oracle and SAP
- Entrepreneurship Development Programmes
- Encouraging students to present IT & Entrepreneurship related talks in Community Radio & All India Radio, Coimbatore
- Separate Software Development cell encouraging the students to develop real-time applications
- National level Seminars & Conferences
- Soft Skills Development classes
- Mini & Major projects
- Department Association events like "RADIANCE" & "SANKALP"
- Parent - Teachers Meet
- Alumni Meet
- Software Development Programmes
- Orientation Programmes for freshers
- Networking with Industries
- Hardware & Software Exhibitions
- Earn-while-you-learn programmes
- Certification courses like ORACLE, SAP, CCNA
- Organizing Technical Sessions to enrich the knowledge base of students

HIGHLIGHTS

- AICTE approved Course
- Successfully passed out 20 batches since the year 1989
- The MCA Department of RVSCAS has been graded NUMBER ONE for providing Holistic Education in MCA in Tamil Nadu and honoured with EDUCATIONAL LEADERSHIP AWARD 2011 on the All India Survey conducted by KNOWLEDGE RESOURCE DEVELOPMENT AND WELFARE GROUP (KRDWG), NEW DELHI on 11th Sept, 2011

M Sc (Computer Science)

ELIGIBILITY - a pass in B Sc (Computer Science) / BCA / B Sc (Information Technology) / B Sc Electronics

DURATION - 2 years

OBJECTIVES OF THE COURSE

- The curriculum is designed in a way to meet the current status and changes taking place in the Information Technology and various application areas.
- Students are trained to develop application packages
- The course lays a strong foundation for software development and testing in the form of Project works.
- Students are encouraged to take certification courses like MCSE, OCP, SCJP, etc.,

ACADEMIC ACTIVITIES

- | | | |
|---|---|-------------------------------------|
| ○ Seminars & Guest lecturers by Industry Experts & Academicians | ○ National level seminars & Conferences | ○ Orientation programs for freshers |

M Sc (Computer Communication)

ELIGIBILITY - a pass in B Sc (Computer Science) / BCA / B Sc (Computer Technology) / B Sc (Applied Sciences) / B Sc (Information Technology) / B Sc (Electronics)

DURATION - 2 years

OBJECTIVES OF THE COURSE

The curriculum is designed in a way to meet the present changes in the networking technology and various application areas.

Passing through the degree with CCNA Certification.

The course lays a strong foundation to equip the students as good Network Administrators.

Equip the students to focus their professional field with adequate practical exposure,

ACADEMIC ACTIVITIES

- Expertise in Networking and PC Assembling
- Network Administration
- In-campus & off-campus placement
- Industrial visits
- Knowledge to work with: ▶ *High speed Networks* ▶ *Wireless Networks* ▶ *Bluetooth and WAP*
- Linux Administration
- Technical & Aptitude classes
- Article sharing
- Syllabi based on current industrial requirements
- Networking with Industries

EXTRA CURRICULAR ACTIVITIES

- Entrepreneurship Development Programs
- Sports
- NSS/YRC Activities
- Earn while you learn Programs
- Participation in inter-collegiate events
- Pre-Placement Training Programs such as Group Discussion, Aptitude Training, Technical Training etc.,

M Sc Applied Electronics

ELIGIBILITY - a pass in B Sc. Electronics, B Sc. Electronics & Communication, B Sc. Industrial Electronics, B Sc. Computer Science, B Sc. Applied Science with Electronics as subject, B Sc. Physics, B Sc. Applied Physics, B Sc. Instrumentation Physics

DURATION - 2 years

FEATURES

- Intensive training on Embedded System / VLSI / DSP/Hardware Maintenance
- Regular industrial visits and seminars
- Well qualified and dynamic staff members
- Normal fee structure

OBJECTIVES OF THE COURSE

- To introduce and equip students of 1 year with latest developments in the field. Conducting remedial / Bridge course for weak students of 1 year
- To provide practical skills in modern electronics field
- Overall career development enabling final year students to fit into the industry

JOB SCOPE

R&D Engineer, Service Engineer, Sales Engineer, Customer Support Engineer, EPABX Operator, Technical Support Engineers, Radio Telescope Operator, Cell Phone Service Engineer, Call Centers, Signal Inspector

HIGHER STUDIES :

M.Phil

M.Tech

ME

DEPARTMENT OF MATHEMATICS

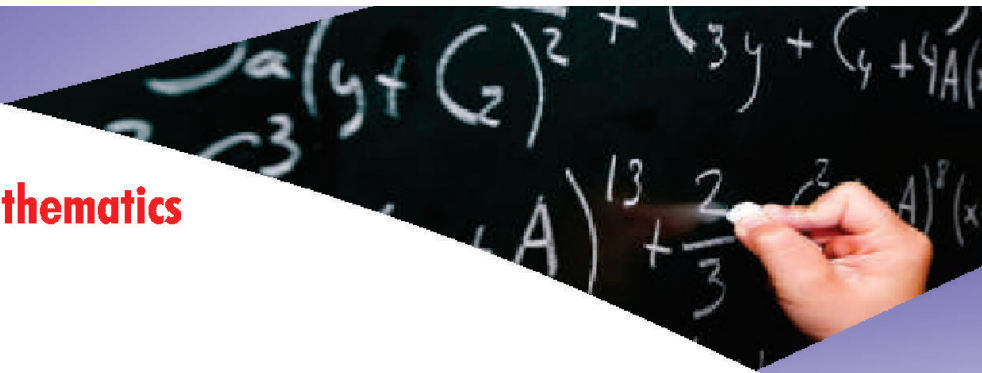

M Sc Mathematics

ELIGIBILITY - B.Sc Maths / B.Sc Maths with CA

DURATION - 2 Years

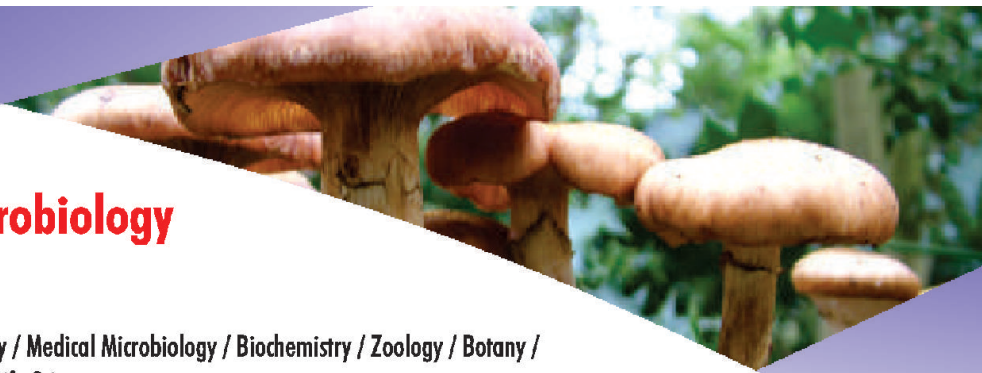

SALIENT FEATURES

- Fundamental course for entry into multiple fields
- Experienced faculty
- Basic course for self - employment
- Equips you to shine in competitive exams including CAT, probationary officers exam
- Prepares you to enter IT sector
- Continuously updated curriculum according to the industry trends
- Compulsory training in interview skills training for a prosperous career
- Department with impressive placement record

DEPARTMENT OF MICROBIOLOGY

M Sc Microbiology

ELIGIBILITY - a pass in B Sc Microbiology / Medical Microbiology / Biochemistry / Zoology / Botany /
Biology /Biotechnology / Life Science

DURATION - 2 years

ABOUT THE DEPARTMENT

- Well experienced faculty
- UGC sponsored projects
- Well equipped laboratory
- Guidance for Industrial training

FUTURE OF MICROBIOLOGIST

- Quality Controller in:
 - ▶ Food Industry
 - ▶ Dairy Industry
 - ▶ Water Testing Laboratory
 - ▶ Pharmaceutical Companies
 - ▶ Biofertilizer and Biopesticide units
 - ▶ Leather Industry
 - ▶ Paper Industry
 - ▶ Beverage Industry
 - ▶ Poultry
- Microbiologist in clinical laboratories
- Clinical trials Coordinator
- Medical Transcriptionists
- Microbiologist in Pollution Control Board
- Clinical Research Associates
- Microbiologist in effluent treatment units

ENTREPRENEURSHIP OPPORTUNITIES

- Cultivation of mushrooms
- Biofertilizers
- Vermicompost
- Technical training institutions
- Biodiesel plant
- Diagnostic laboratories
- Antimicrobial textile testing lab
- Spirulina Production
- Laboratory kits

M Sc Biochemistry

ELIGIBILITY - a pass in any Bachelor Degree in Science

DURATION - 2 years

FEATURES

- PG Diploma offered in Nanotechnology
- Extra departmental programme in Hospital Management

SALIENT FEATURES

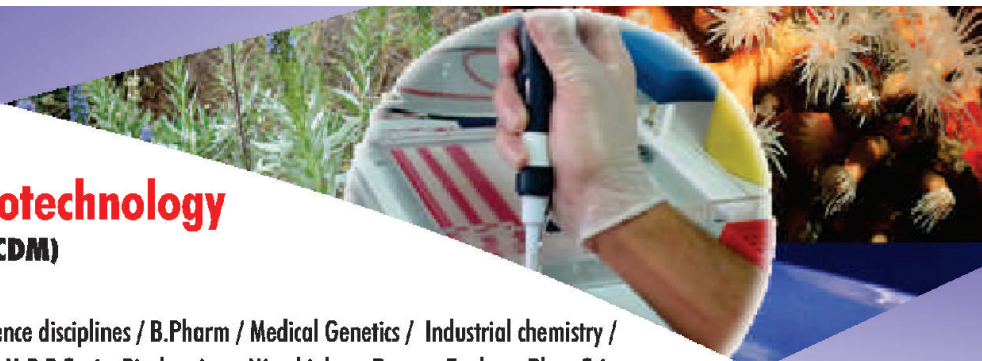

- Innovative teaching through LCD, panel discussions & paper presentations
- Unlimited practical lab hours
- Well stocked & sophisticated laboratory
- Mini project to be completed during the 1st year course & Major project in the 2nd year

OPPORTUNITIES IN INDIA & ABROAD

- Higher Education ▶ *Ph.D & Post Doctorate*
- Self Employment ▶ *Clinical Labs, Biogas & Biomanure production, Commercial Research Labs, Thyroid Hormone Detection Lab*
- Industries ▶ *Chief Biochemists, Scientists (in Pharmaceutical Industry, Food Industry, Biochemical Industry, Software company) R&D, Bioinformaticians, Forensic Laboratories, Space research, Academicians in colleges & schools, Clinical Research Associate*
- Other careers ▶ *Editors, Software Developers, medical coding, JRF & SRF, Medical Transcriptionists BPO, KPO*

DEPARTMENT OF BIOTECHNOLOGY

M Sc Biotechnology (with DCRCDM)

ELIGIBILITY - a pass in B Sc. degree in any life science disciplines / B.Pharm / Medical Genetics / Industrial chemistry / Bioinformatics / Agriculture or B.E or M.B.B.S. viz. Biochemistry, Microbiology, Botany, Zoology, Plant Science etc.,

M Sc Biotechnology with DCRCDM - Diploma in Clinical Research & Clinical Data Management

DURATION - 2 years

ABOUT THE COURSE

The Department offers M Sc Biotechnology along with Diploma in CRCDM which assures the candidates 100% placement. The Department has already been entered MoUs with various clinical research industries where they will come to the campus give trainings and make recruitments. Besides this, various pharmaceutical companies and plant tissue culture firms regularly recruit students in campus interviews. The final semester project will be arranged in Central Research Labs, CSIR institutes, IISc & IITs for the students.

SALIENT FEATURES

- Highly fine tuned curriculum which meets the needs of the Industry
- State-of-the-Art lab with highly sophisticated and imported instruments
- Advanced training programs in Nanotechnology, cloning and clinical trials
- Strong alumni network around the globe
- Diploma Program in "Clinical Research and Clinical Data Management" (No extra fee)
- Various funded projects and research activities
- 100% placement assistance and Communication development programs
- Free coaching for NET / SELECT / GATE

PLACEMENTS IN

Central Research Labs, CSIR labs, BIOCON, SPIC Biotech, Jubliant biosys, Nicholas-Piramal, Ranbaxy, Scigenomics etc

DEPARTMENT OF FOODS & NUTRITION

M Sc Foods & Nutrition

ELIGIBILITY - B.Sc Home Science / Family & Community Science / Nutrition & Dietetics / Food Science & Quality Control / Food Science & Nutrition / Nutrition / Clinical Nutrition & Dietetics with Chemistry / Food Service Management & Dietetics / PG Diploma in Clinical Nutrition & Dietetics / Biochemistry at ancillary level

DURATION - 2 years

FEATURES & CURRICULUM

- Two industrial training during the course of study
- Soft skills development
- Analysis of Foods & Clinical parameters
- **Subject Areas:** ▶ Food Preservation ▶ Food quality control ▶ Nutrition in Disease ▶ Food Biotechnology ▶ Nutritional Biochemistry
- ▶ Physiological Aspects of Nutrition ▶ Community Nutrition ▶ Computers in Nutrition
- One Major Project and Three mini Projects - Case Study, Extension Activity, New Product Formulations

TRAINING IN

- National Organizations like: Central Food Technological Research Institute, Defence Food Research Laboratory, Indian Paddy Processing Research Institute, Tanjavur
- Food companies (MTR Foods, Britannia, Spice Board)
- Multispecialty Hospitals
- Star Hotels

SCOPE OF THE COURSE

- Dietitians in Hospitals
- Diet Counselors in MNCs and BPOs
- Food Scientists
- Nutrition Project Officers in Government sectors like ICDS, Government Research Centres
- Child Development Project Officers
- Researchers and Associates in Food research organizations like NIN, DFRL, IGSI, CFTRI, CIFT
- Nutrition Consultant in Commercial Food companies
- Diet Consultant in Fitness Centers & as Health Club Co-ordinators in Star Hotels
- Food Quality Controller & Quality Analyst in Food Industry
- Entrepreneurship through establishing Food companies, Fitness Centre's
- Nutrition Consultant in Commercial Food companies

TRAINING & PLACEMENT DIVISION

A full-fledged Training and Placement Division functions to provide employability skills and placement opportunities to the students to get recruited in corporates and other leading organizations in India and abroad.

- An exclusive in-house Training Department with more than 10 highly skilled and experienced trainers in English communication skills and interview soft skills.
- A 3-member experienced Placement Team with a huge network of top notch MNCs.
- Compulsory training for all students in Spoken English skills, Aptitude and interview soft skills in all semesters.
- Leading recruiters of our students in 2010-11

- Special training for average students.
- Training and career guidance for employment in Banks, Defence and Government sector jobs.
- A full time English Language Lab to refine the students' English language skills.
